## Chapter 1 by alina

\*This is a FitzSimmons fanfiction about the Marvel's Agents of SHIELD TV show. This takes place after Season 2 Episode 5, but act as if Raina hasn't sent the message out to all HYDRA agents with the picture of Simmons reporting to SHIELD. Simmons is still within HYDRA, and so is Bobbi Morse. The issue with everyone else is that Agent 33 is going around SHIELD with masks of Skye and May.

"And... Done. This file has been decrypted. Wait, Coulson, is this a message from Simmons?" Skye asked after decrypting one of the coded messages that Agent Simmons had sent from HYDRA.

"Yeah, that message is the first contact she has had with us in a while. What does it say?" Director Coulson leaned over Skye's shoulder, looking at the message.

"What are you guys looking at?" Agent May asked as she walked in the room. Coulson beckoned for her to look.

"It says that she is doing okay right now and that she can't make contact soon because they are

looking for a traitor. Wait, will she be okay? Simmons is a horrible liar! She won't make it through questioning!" Skye cried out alarm.

"Simmons has had training, she's better than most," Coulson said as he took her hand off and walked out of the room. Skye followed him. "She's not a traitor," Coulson said as he walked off in. Coulson was about to walk out of the room when Skye called him back.

"Wait, Coulson? What are we going to tell Fitz? He has been asking about what we keep talking about when we don't invite him to the briefing room. He is getting suspicious," She asked. Coulson just smiled and kept walking forward. Skye threw her hands up in frustration and sighed as she opened the tab on her laptop about the mysterious lines that Coulson had asked her to look up.

"What are you upset about?" Agent Triplett asked walking in unexpectedly. Skye jumped at his sudden presence and closed the tab that she was working in.

"Hey Trip! Uh, nothing really. Just upset that May and Coulson are keeping the whole 'Simmons' thing from Fitz. Look at him," Skye pointed at the glass. On the other side, Fitz was trying to work, but ending up talking to himself.

"I just don't think it is fair with her meaning so much to him." Skye turned away from the glass, unable to see anymore. Trip glanced her way.

"I wonder how Agent Simmons is doing?" Trip wondered. Skye smiled.

"Fitz still cares for her more than you do!" Skye teased lightly punching his arm. He stuttered.

"Whaattt? I don't care for Jem-Simmons! No way! Definitely not in that way!" Trip tried to reject it, but Skye laughed anyways, knowing he still cared.
